<sup>\*</sup> Some funds may be closed to New investors due to demand.

The performance data quoted represents past performance and the principal value and investment return will fluctuate so that an investor's shares, when redeemed, may be worth more or less than their original cost. Returns shown, unless otherwise indicated, are total returns, with dividends and income reinvested. Past performance is no guarantee of future results.

Since it purchases equity securities, including common stocks, the Fund is subject to the risk that stock prices will fall over short or extended periods of time. The Fund may buy and sell securities frequently as part of its investment strategy. This may result in higher transaction costs and additional tax liabilities.

Mutual funds are sold by prospectus. An investor should consider the investment objectives, risks, charges and expenses of the investment company carefully before investing. The prospectus contains this and other information about the investment company. Please read the prospectus carefully before you invest or send money.
